

SENIOR ACCOUNT INFORMATION PHHS BANDS

Graduating Seniors: Over the course of your career in the band program, you may have earned money into your account that you did not spend. Fundraising money cannot be given directly to students. Therefore, the following choices are given for what to be done with the money in the account. This form must be turned in by **May 29th** of each year to receive your choice. If you do not turn in the form or mark "Band Department's Choice," then it will be placed in a fund at the discretion of the band department.

Choose one of the following choices for excess money in your account when you graduate:

_____ Give the money to a sibling- brother or sister- who is currently in the h.s. band or will be in the h.s. band within **ONE** year.

Name of Sibling _____ **required**

Graduating Class: _____ **required**

_____ Leave the money for the band general fund

_____ Leave the money for the student assistance scholarship fund

_____ Band Department's Choice

Return this form by May 29th to a director.

These are the only 4 options for money left in an account. Our account doesn't work like a bank where we can hold it for an indefinite amount of time. There can be no exceptions.

Name _____
